Was yesterday skip day?

During President Jimmy Carter's administration our country united as the U.S.A. athletes chose not to attend the 1980 Summer Olympics held in Moscow to show contempt to the Soviet Union for their intervention in Afghanistan. Then again on January 20, 1981, the country united to display yellow ribbons when the hostages returned home from Iran.

President elect Ronald Reagan and Vice-President George Bush assumed leadership of our country as inflation continued to grip our economy. Driving to your local grocery store one could find a loaf of bread for 80¢; beef $1.59 per pound; a can of soda for 45¢; a candy bar for 26¢; and a hamburger for $2.00. Gasoline on the average would be found to cost $1.50 per gallon. A shirt would run for $10.00; a pair of jeans for $15.00 at least; and a pair of casual shoes for $20.00. The prime interest rate rose to 20%, as gold (reaching $500.00 an ounce) and silver ($50.00 an ounce) prices rose.

Just as all seemed to be going well, at a public appearance Reagan was wounded in an assassination attempt by John Hinkley in Washington D.C. on March 30, 1981. Walter Cronkite retired his job as head anchorman for the C.B.S. evening news to Mike Wallace. The drinking age in Texas promised to rise to 19. And yet Americans chose to lose themselves in such dramatic TV shows as "Dallas".

On February 23rd, 22 seniors and 6 sponsors departed for the 1981 Civics trip to Washington D.C. The trip took us about 32 hours to get there. When we arrived in Washington D.C., we enjoyed visiting the Archives Building and the night tour of the Lincoln and Jefferson Memorials. During the rest of the trip, we toured the White House, the Capitol, the Smithsonian Institute, Arlington National Cemetery, the Washington Monument, the tomb of the Unknown Soldier, and other interesting sights.

Wednesday night, we enjoyed supper at Lazy Susan's Dinner Theatre and enjoyed a play called "I DO I DO". Upon returning to the motel, some students enjoyed a disco at the Falls Church Inn, where many laughs took place. We will always cherish the memories we shared on the 1981 Civics trip to Washington D.C.

FOOTBALL 1980

The Brazos Cougars were involved in the toughest season ever, finishing 0-10 in their first year in Class AAA. With only two Seniors and playing the season with thirteen Sophomores and six Juniors, the Cougars were outmatched in all the games. Despite the poor record, Kenneth Matej was selected to the second team All-District squad as a defensive back. Hector Hernandez and John Ashton received Honorable Mention.

A great deal of experience was gained by all members of the team and this should pave the way for a great deal of improvement for the coming season. Throughout the season, the team showed enthusiasm in workouts and a good attitude that showed a sense of pride that will made each of the players successful in the years to come. This year was a learning experience for each of the players and will make them a factor in the district this coming season.

Of the two Seniors on the squad, both should be cited for their good attitude and patience with the players that didn't have physical ability of the know-how to win. Each contributed in a positive way to the teams development and were excellent leaders.

The future is near for a strong football squad at Brazos. This is part of the team that will make the school second to none in football.

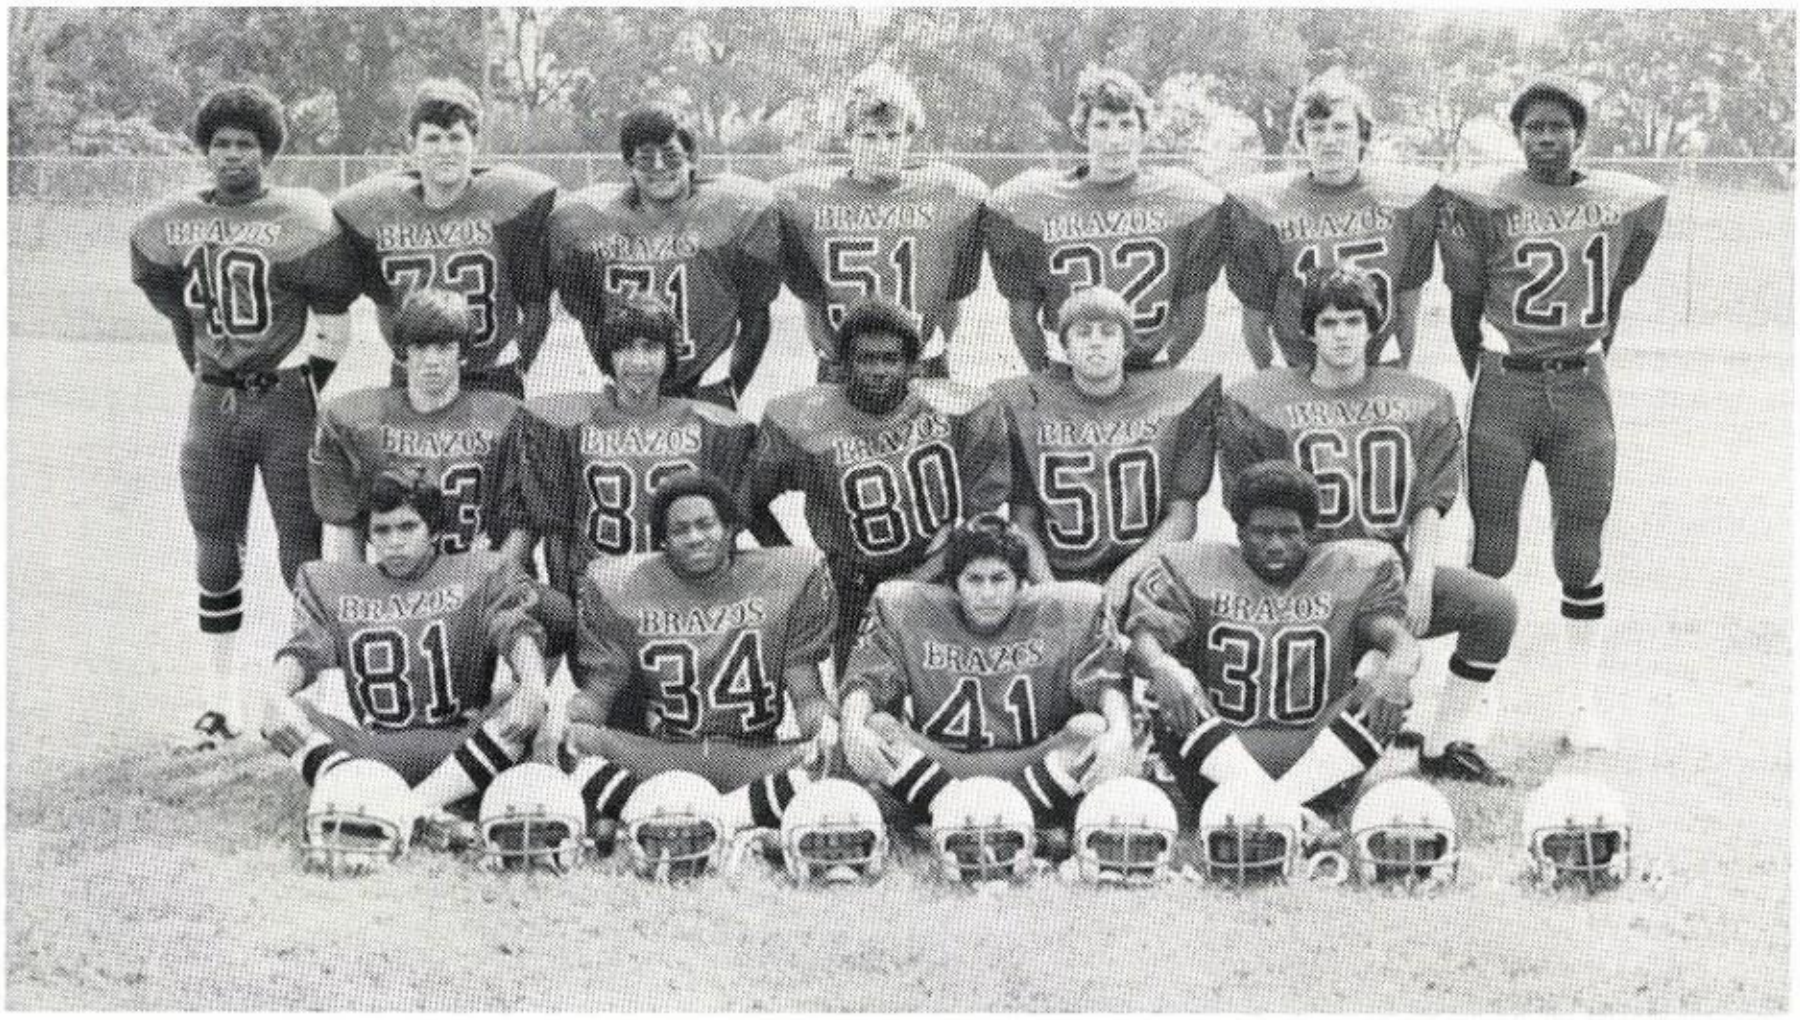
FRESHMAN FOOTBALL



First Row: V. Aguilar, H. Kinsey, E. Luna, T. Kinsey, Second Row: R. Macha, E. Rodriguez, R. Ward, B. Matula, C. Chickering, Third Row: W. Zellis, A. Prihoda, J. Chavez, J. Novosad, J. Janecka, A. Zahradnik, L. Blackmon.

The Freshman team finished with a 6-2 record, losing only to Junior Varsity squads. They won All the district Freshman Contests and were very impressive throughout the year. This group should form the nucleous of a very good team of the future.

It would not be fair to single out individual accomplishments as each man did more than his job to make this season a good one. The team showed an ability to come back from defeats and showed an ability to dominate a contest.

The togetherness of this group of boys is perhaps the most outstanding characteristic of the team. For this reason alone, the team was unique. If the boys can stay together and if the student body will give support to this squad, the Cougars will reward the support in District Title very soon.

In all that I've done and all that I've learned,
I've searched for a "Me," for others to see,
Upon looking up after three years gone by
I found another page of my life had turned.

The simple happenings of today
Will be great memories tomorrow,
And the fact that we can't do it again
might bring us a bit of sorrow.

Yet the simple fact that we've lived life once,
Will let us think it a success
And the years to come will prove to us
this year has been better than all the rest.
